### First Day

On arrival, students receive a Welcome Pack as part of English in Margate's Induction programme. This contains comprehensive information about the school as well as relevant details about the local area, including transport and recreational facilities. Students are then given a tour of the school and its facilities. Students join class at 9.30am and in the afternoon, there is an orientation tour of Margate.

- Free wifi

## Academic Support

One of the key features of our Academic team is the degree of hands-on support offered to students from the moment they arrive until their departure. This is an ongoing process of communication with all students, including feedback questionnaires at various points during their stay. Students are also welcome to express their opinions to their classroom teacher, particularly if they have concerns over their placement and class level. In addition, fortnightly tests and a system of 1-to-1 tutorials enable us to assess and monitor the progress of all students, ensuring appropriate classroom provision.

## Welfare

With academic progress being so closely linked to a student's personal circumstances, we have a strong system of pastoral care in place, based on care and confidentiality. During their stay, students can be sure of finding a sympathetic and helpful member of our Welfare Team who will offer the appropriate advice and guidance, with the individual's best interests in mind. Students under the age of 18 have a dedicated meeting on the first day to help make the most of their experience in Margate.

#### Enrolment confirmation and payment

Once a completed application form and deposit have been received and accepted, the student will be sent confirmation by email with an invoice for the balance due. Fees must be paid in full four weeks before the start of the course. The course and accommodation will be cancelled if payment is not received and the student does not contact us about this.

#### Cancellations and refunds

Full fees for all courses are payable and are non-refundable unless we receive a cancellation notice at least 28 days before the scheduled date of arrival, in which case the £260 deposit is forfeited. #### Accommodation and Holidays

We are happy to consider a request for a change of homestay but an administrative charge of £50 may be incurred at the school's discretion. For long-stay students we ask that at least two weeks' notice is given.

The school must be informed of any guests staying in self-catering accommodation. A supplement of £50 per night per person is charged for any guests staying overnight.

If the student is on a long course they should pre-book the number of weeks' holiday they wish to take before the start of the course. All students must notify the school of the specific dates of the holiday they wish to take at least two weeks in advance. Students who wish to book a holiday with less than one week's notice may do so at the school's discretion.

#### Visas

It is the student's responsibility to ensure that they have the correct visa type and appropriate leave to remain in the UK. If that is not the case, the course will be terminated and tuition fees forfeited. If a visa invitation letter has been issued and the visa application is refused, a refund minus any costs incurred would be made upon receipt of a copy of the visa refusal document.

If the student has booked through an agent, their terms of contract may apply to the student, but we reserve the right to apply our own terms.

The safety and welfare of our junior (under 18) students is of the utmost importance to us here at English in Margate. - Our juniors are never placed in Homestay accommodation with adult students.
- Our staff and Homestay host providers are thoroughly vetted with an Enhanced Police Check through an organisation known in the UK as the Disclosure and Barring Service.
- Every year our Homestay hosts complete various other safeguarding checks; risk assessments of their homes, fire safety checks and gas installation safety checks which must be certified by a qualified engineer.
- English in Margate accommodation staff regularly inspect our Homestay providers to ensure that our high standards are consistently met.
- In addition to this, our Homestay hosts must provide us with two references to confirm their suitability to host under 18s in their homes.
- There are certain rules that junior students must observe. Students must be back in their homestay accommodation by the time agreed by the school, host and group leaders. It is illegal for under 18s to buy or consume alcohol or cigarettes or vaping products. It is of course illegal to buy or use any type of recreational drug and any students failing to comply with these rules may be sent home.
